

## AUDITORIUM

The college has a well furnished Auditorium with the audio-visual aids, LCD projectors, Computers, CD-ROM, white board etc. Large scale seminars and conferences are also being organized to enhance the knowledge of the students through the talk of experienced, learned and scholarly people which is not possible only through class room teaching. It is a twin edged experience where sharing of views & ideas takes place thereafter formulating the concepts which have global acceptance.

Engineering education is an insatiable intellectual quest at Dhaanish Ahmed Institute of Technology and standing witness to this is the Auditorium with its maximum capacity to enrich knowledge in various verticals.
