

CAFETERIA

A hygienic, well-furnished and spacious canteen is functioning within the premises of the college. A variety of food and drinks are made available to quench the desires of the staff and students. Great care is taken by the kitchen staff to prepare a well-balanced nutritious and tasty hygiene food to stimulate the students' quest. Students enjoy their food in the aesthetic and appetizing atmosphere at DAIT.

We serve both Vegetarian and Non-Vegetarian Food for Lunch as per the need. The cafeteria is also endowed with light refreshments like Burger, Rolls, Puffs, Cakes, packed snacks, chocolates, Fresh Juices, Shakes and other aerated/non aerated packed beverages as per the students' choice. A subsidized mess separately for Girls and Boys are also available in the campus for the Hostel Students. However, the students are not allowed to sit in the canteen during Lectures hours.

The college also has its own Reverse Osmosis Plant in the college campus with the capacity of 500 litres/hour. The mineral water is available round the clock in all the floors of the academic block, cafeteria, Hostel mess and in the residential block. Food items in the kitchen are prepared using RO treated water to ensure the health and hygiene of the wards and residents.

A store is also been attached with the cafeteria to make it easy for the students for purchasing their requirement in an affordable cost. The store is furnished with all kinds of stationeries, toiletries and other necessary merchandise required for the residents.
