Safer Internet Day

Safer Internet Day is celebrated worldwide in February to promote the safe and positive use of digital technology for children and young people. It is an annual event that provides young people, parents, careers, teachers, educators, employees, and policymakers an opportunity to raise awareness around cyber security challenges, from protecting your digital identity to avoiding cyber bullying on social media. “This year's theme for Safer Internet Day is 'Connect. Reflect. Protect.

The Department of Computer Science and Engineering and Artificial Intelligence and Data Science organized “SAFER INTERNET DAY” on 08.02.2023. Principal Dr.K.G.Parthiban inaugurated the program and welcomed the gathering with a handy speech on importance of internet as well as the troubles that one face with the same technology. Students from the department actively attended the session and also gave their contribution. Afsal.P.N from II AI&DS gave an inspirational speech about using technology responsibly, respectfully, critically, and creatively.

Students in industrial visit @ Kodai FM

Industrial Visit

Kodaikanal FM radio is a tamil radio broadcasting from Kodaikanal. Tune to Kodaikanal FM tamil radio to listen to your favourite tamil songs and top kolly wood songs. Kodaikanal FM contains a huge variety of programs telecasting wonderful tamil songs. As a part of curriculum, The Department of Computer Science and Engineering and Artificial Intelligence and Data organized an industrial visit for the student on 18.03.2023 (FN) 9.30 AM to 10.30 AM. The students were accompanied by six faculty members. It was an informative, interesting and a successful visit. This visit was focused to know How Radio Signals were transmitted. All the students were divided into 3 batches and for each batch theory was explained with the block diagram of the entire station.

FROM EDITOR'S DESK

All of us are on a journey towards success and happiness. As a part and parcel of the institution and its education sector, I would emphasize upon the significance of creating a joyful atmosphere of learning for the learners. Likewise a joyful teaching environment uplifts the staff community to understand, appreciate and encourage the students. If the happy atmosphere is created, one can find a warm approach and a good care with the student-cantered approach that enables the students to be self assured and self motivated. By following all the possible techniques, we ensured a high happiness in online classes too.The bedazzling activities play a glowing tribute for a holistic approach of imparting education. By following all the possible techniques, we ensured a high happiness in online classes too.The bedazzling activities play a glowing tribute for a holistic approach of imparting education. We firmly stand by the core values instilling in a young mind and a sound foundation of learning which interlaced with creativity. Thus ensuring those who pass through our portals grow into morally upright, socially responsible and intellectually sound which will take them to a bright future.

NAAC PEER TEAM VISIT

Events by the Department of AI &DS and CSE

Students are in the session with the resource person

National level Workshop

Dhaanish Ahmed Institute of Technology in association with Hanodale Solutions Malaysia organized an National Level Workshop on Design and Develop International Internship on 10-02-2023 Friday between 6:30pm to 7:30pm .This Program was organized by Mr. J. Manoj Prabhakar AP/CSE This Session mainly focus on Job Opportunities around the foreign nation.

The Webinar was started with the welcome address by Dr. K. G Parthiban Principal, Dhaanish Ahmed Institute of Technology and Concluded with Vote of Thanks by Mr. J. Manoj Prabhakar AP/CSE. More than 100 Participants from Various institutions have participated in this event and make use of this opportunity. E-Certificates provided for all participants. Finally Mr.Venkatesh Prabhu. The resource person provided the free internship for Student from our Institution in Malaysia. Mr.Venkatesh Prabhu and Mr.Sivabalan Interacted with the Participants about the Recent Job Opportunities in Foreign nations.

Enthusiastic participants through online mode

National level Seminar

The Department of Computer Science and Engineering & Artificial Intelligence and Data Science have organized one day national Level seminar “CYBER SECURITY & IOT” on 25.04.2023. Cyber security is the practice of defending computers, servers, mobile devices, electronic systems, networks, and data from malicious attacks. It's also known as information technology security or electronic information security. It is the practice of protecting internet-connected systems such as hardware, software and data from cyber threats. It's used by individuals and enterprises to protect against unauthorized access to data centers and other computerized systems. The Resource person of the seminar was Mr. S. Ganesh Prabhu Engineer- Embedded Division CIYAS System Pvt. Ltd and Dr. G. Selvavinayagam Associate Professor/AI&DS. The chief guest gave an edifying speech on the topic and also importance of cyber security. Over 100 students from various institutions have participated in this event and gained some useful information about the importance of cyber security.

Youth Day

National Youth Day is also known as Rashtriya Yuva Diwas and is celebrated on the birth anniversary of Swami Vivekananda.

Youth Day Celebration

The day creates awareness and provides knowledge about the rights of people in India. It is a day to educate people to behave properly in the country. The main objective behind the celebration is to make a better future for the country by the youth and spreading the ideas of the Swami Vivekananda. National Youth Day is also famous as Yuva Diwas. The theme of national youth day of 2023 is "Viksit Yuva-Viksit Bharat." National youth day celebration on 11th AUGUST 2023 under the guidance of Principal Dr.K.G Parthiban and it was greatly supported by Mr.A.Mohamed Noordeen AP/CSE. Mr.Anwaar Saeed from III CSE gave speech regarding the importance of Youth day.

Principal addressing the gathering about the importance of the department association

Association Inauguration

The Student Association inauguration of the Department of Computer Science & Engineering & Artificial Intelligence And Data Science was held on September 30 2023 under the guidance of Principal Dr.K. G.Parthiban and the event was coordinated by Mr.A.Mohamed Noordeen AP/CSE. The Chief guest of the event was Dr.Vimal Kumar Associate Professor, Department of Computer Science from Nehru Arts & Science College, Coimbatore. He gave a valuable speech about the importance of students association and their activities.

Value Added Course

The Department of Computer Science and Engineering along with Artificial Intelligence and Data Science has organized value added training on “FULL STACK JAVA” on 03.10.2023 to 07.10.2023(Duration of 5 days). Value-added courses are those courses designed to enhance the standard of the students beyond those levels specified in academic curriculum. In order to enhance employability of the students value added courses are included in the curriculum. Welcome address has been delivered by Dr. K. G. Parthiban, Principal, Dhaanish Ahmed Institute of Technology, Coimbatore. The sessions were conducted by Corporate Technical Trainer Mr. Vinoth Subramanian Hanodale Solutions, Malaysia. The Coordinator of the event was Mr. N. Dinesh Kumar AP/CSE & Mrs. N. Indhumathi AP/CSE. A total of 62 students who belong to CSE and AI&DS department attended the course for all days.

Rotary Club of Coimbatore

The Rotary Club of Coimbatore is one of the pioneers in India of the rotary movement, devoted to the ideal of Fellowship through service. It was inaugurated on 23 May 1943 by H.E. Sir Authour Hope, the then Governor of Madras. The Club was formally admitted into the Rotary International by charter on 21 June 1945. Solving real problems takes real commitment and vision, and for more than 75 years, Rotary Club of Coimbatore members have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, the club is always working to better our world, and we stay committed to the end.

Our students with Rotary club members

Rotary club offers several opportunities for university students to gain access to leaders of industry, develop leadership skills, travel abroad, and gain a global perspective for service. The students from Dhaanish Ahmed Institute Of Technology participated for the inauguration function of rotary club of Coimbatore Rotary Club of Coimbatore. The program was inaugurated by Smt Anitha Pauldurai Former Indian Women Basketball Team on 05.10.2023. This program was organized by Rtn Chitra Manohar and it was addressed by Rtn. Vijay Balasundaram Rtc Coimbatore. Over 10 Students from III CSE have participated in the event.

Symposium

The Department of Computer Science and Engineering and Artificial Intelligence And Data Science organized a National Level Technical Symposium “FUSION-2K23” on 18.10.2023. Symposiums are organized, often large-scale meetings that bring together experts, researchers, practitioners, and professionals. The purpose of a symposium is to discuss and exchange knowledge, research findings, and insights on a particular topic or theme. The objective of the symposium is to enhance the student's creativity, thinking ability, team work, problem solving skill etc. Students can learn how to prepare presentations and they can gain some knowledge and also learn how to improve communication skills etc.

The Chief Guest of the program was Mr.Sabarinathan CEO & Founder, Gateway Software Solutions. Principal Dr.K.G.Parthiban welcomed the gathering and gave a ground-breaking speech to the techies. Students from various institutions has participated in this event and won laurels to their institutions. The National Level Technical Symposium TECHNOVA 2K23 was a platform for students to showcase their talents, learn from experts, and foster a spirit of innovation and collaboration. It served as a testament to the commitment of Dhaanish Ahmed Institute of Technology towards nurturing future technocrats and leaders.

Guest Lecture

In today’s digital era, education is undergoing a paradigm shift driven by technological advancements. The integration of generative artificial intelligence (AI) tools and instructional design matrices represents an innovative and promising approach to addressing the evolving needs of modern education. By harnessing the power of AI, educators can

leverage personalized learning experiences, adaptive content generation, and real-time support for students. Using an instructional design matrix adds structure and coherence to the educational process, ensuring alignment with learning objectives and enhancing the effectiveness of teaching strategies. This combined approach improves student engagement and motivation and offers educators new opportunities to create dynamic and inclusive virtual classrooms. By exploring these technologies' potential benefits and implications, this paper aims to inspire educators and institutions to embrace generative AI tools and instructional design matrices as transformative tools in empowering education.As part of curriculum, the Department of Computer Science & Engineering & Artificial Intelligence and Data Science Organized a Guest Lecturer on topic "Empowering Efficiency: Unveiling the Proficiency of AI Tools in Modern Applications". The Resource Person of the event was Dr. S. Visalakshi Assistant Professor Department of Computer Application, Sikkim Manipal Institute of Technology.

Events by the Department of S & H

YOUTH DAY

Students Participating in Tamil Debate

The Department of Science and Humanities had organised National Youth Day on 12.1.2023. This mesmerising event of youth day was organised by Mr. P. Antony Prince, AP/S&H and BIRCRAFT students volunteers. Dr. K.G. Parthiban inaugurated along with Academic Coordinator Dr. Seenivasan and Head Academic Dr Jeyakannan the youth day and gave presidential address to the students.

He encouraged the students to involve in building the nation with their skills and knowledge in every domain. The HoDs and faculty of all departments our college gave their presence. The debate in Tamil, English and Malayalam were conducted in the part of event. The following faculty members Mrs. M. Sasikala ,AP / Chemistry , Mr. K. Selvam AP/ English and Mr. P. Antony Prince had been judges of debates.

Students Participating in English Debate

THAMIZHAR THIRUNAAL -PONGAL DAY

Thamizhar Thirunaal Celebration

The Department of Science and Humanities had organised Thamizhar Thirunaal -Pongal day celebration on 13.1.2023. Dr. K. G. Parthiban inaugurated the celebration . As a part of the event , traditional games like Uriyadi , Silambam , Rangoli, Pack of salt (Uppumoottai) and Thug of war were conducted among the students as well as faculty. The event was coordinated by Mr. P. Antony Prince, AP/Maths Event coordinator. Students of college immersed in the enjoyment and fun event as a part of Thamizhar Thirunaal celebration. The event witnessed of making good rapport between students and faculty.

DAIT
Cultivating Technology

DHAANISH CARNIVAL -2023

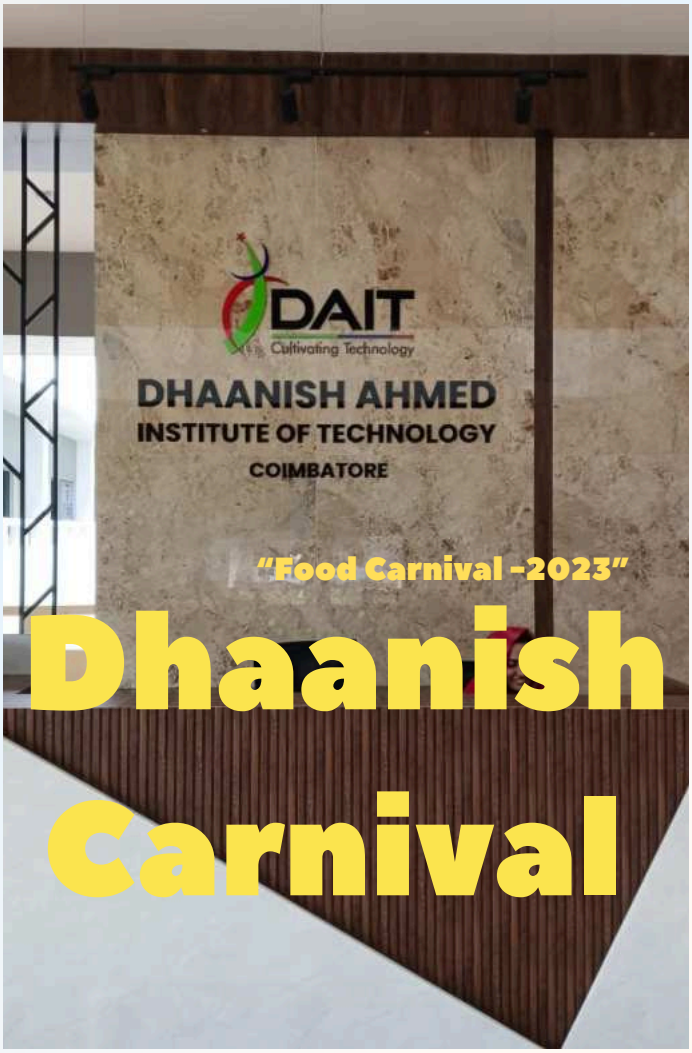
Everything being a constant carnival,

there is no carnival left...

"Dhaanish Carnival -2023"

The grand event of shopping celebration "Dhaanish Carnival -2023 was conducted on 28th October 2023 by IQAC cell in Dhaanish Ahmed Institute of Technology, Coimbatore. The event was started with the invocation and the warm welcoming from the students of first Bio Medical Engineering. It was followed by the principal address of Dr. K. G. Parthiban,Principal of Dhaanish Ahmed Institute of Technology .

He insisted that youth should inculcate creative ideas and have the aim to become a good entrepreneur. Mr. A. Thameez Ahmed, the CEO of Dhaanish Ahmed Institute of Technology made a delivery of his special address to the assemblage. Mr. A. Akbar Basha, Director of Dhaanish Ahmed Institute of Technology delivered the felicitation address with the strong message of soft skill enrichment for the entrepreneurship.



We enlisted shops in the bazaar such as Book stalls, Variety of food stalls, Modern and trendy textiles, games, photography etc., Students booked their stalls and all the arrangement have been done in the previous days.
They were waiting the moment of to enjoy the motto of the "Earning while Learning".

"Good food is the foundation of genuine happiness."

"Principal & NCC team in the food Carnival -2023"

Through the very special arrangements of medical camp, drone Exhibition many participants got benefitted. Students from other colleges and the nearby residents were allowed to enjoy the shopping celebration. This celebration brought the boundless happiness to the students through which they learned the nuances in the entrepreneurship participants together from various engineering colleges in and around Coimbatore. Finally the programme reached its triumph with the tireless efforts management, Head of the Institution, all HODs and faculty members and the students of the institution.

GLIMPSES of DHAANISH CARNIVAL
E- Vehicle EXHIBITION

EVs run on electricity alone.

They are powered by one or more electric motors and a battery.

The battery is charged by plugging the vehicle into an electric power source and through regenerative braking.

Students, eagerly watching the E- vehicle assembling

MEDICAL CAMP IN ASSOCIATION WITH VASAN EYE CARE & KG HOSPITAL

Medical camps can provide basic healthcare services like blood pressure and glucose level screening, dental and eye check-ups, immunizations, and health education. To identify and address health issues in a community and to promote the preventive healthcare and reduce the incidence of diseases the medical camps are conducted at the regular intervals in DAIT. To provide access to medical care and treatment to people who cannot afford it.

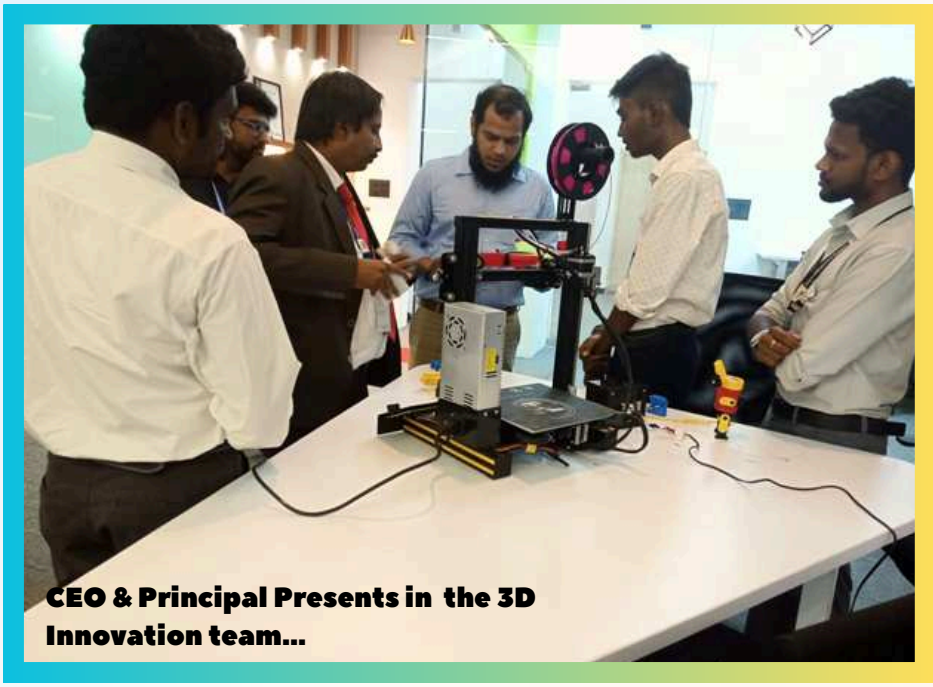
Principal, IQAC head and NCC team in the medical camp

"The best way to find yourself is to lose yourself in the service of others."

STUDENTS' INNOVATION

Director Presents in the 3D Innovation team...

The ability to effectively solve problems requires high innovation, imagination, and creativity. Therefore, students can approach issues from various perspectives, think creatively, and develop original solutions. Here our students Mr. Atheeb and Mr. Anto have from II R&A proved their skill in 3D Technology.



CEO & Principal Presents in the 3D Innovation team...

"Innovation is taking two things that exist and putting them together in a new way."

DAIT FOOD FESTIVAL

To encourage greater education of food and beverages, its provenance and qualities and to provide a common platform of new food/drink related settings for people to meet and socialize the FOOD FESTIVEL has been conducted every year in DAIT .

When your food fest offers something for every foodie, the chances of your event becoming successful is even higher. Offer health-conscious attendees sugar-free desserts and healthy gluten-free beers. This way our food festival stands out while taking care of everyone's needs.

DRONE EXHIBITION

The Event Successfully completed with the support of management, Head of the Institution, IQAC Director, HODs and the students.

The Drone operator elaborates the system of operating in the Drone Exhibition

"Innovation is the unrelenting drive to break the status quo and develop anew where few have dared to go."

INDUCTION PROGRAMME

The Department of Science and Humanities organized a five day induction program TECH -BRIDGE for all first year students from 12.09.2023-16.02.2023. The program was mainly aimed to facilitate a smooth transition from their home and school environment to college environment through various discussions and activities and also to enrich their young minds for the bright future. The orientation programme was conducted from 12.09.2023 to 16.9. on 2023on GROWTH MINDSET FOR CAREER GROWTH - for all the first year students.

The programme was started with the invocation and the warm welcoming by the students of first Food Technology. It was followed by the principal address of Dr. K. G. Parthiban, Principal of Dhaanish i Tech . He insisted that youth should inculcate creative ideas and have the aim to become a good engineer as well as a good citizen. Mr. A. Thameez Ahmed, the CEO of made a delivery of his special address to the assemblage. Mr. A. Akbar Basha, Director of DAIT delivered the felicitation address with the strong message of soft skill enrichment for the students. It was followed by the special address of the IQAC Director Dr. J. Satheesh Kumar who insisted the importance of the aim of event. Finally the programme reached its triumph with the tireless efforts management, Head of the Institution, all HODs and faculty members and the students of the institution

WORLD OZONE DAY

The department of Science and Humanities organized world ozone day on 16.09.2023 for all the first year students. World Ozone Day or International Day for Preservation of Ozone Layer is observed on September 16 every year. The motto behind its observation is spreading awareness among people about Ozone Layer depletion and searching for possible solutions to preserve it.

Different types of competition were held for the students like quiz competition, elocution, and drawing. The students actively participated in all programs and brought the awareness and importance of ozone day. The event was inaugurated by the Principal Dr.K.G.Parthibhan and also addressed the gathering with the importance of protecting ozone layer and also encouraged the students for participating in the events. The programme was coordinated by Dr.G.Ajithkumar AP/Chemistry.

SCIENCE EXPO

The Department of Science and Humanities at Dhaanish Ahmed Institute of Technology, organized TECHTOPIA National Level Symposium and Science Expo for all the first year students on 20.10.2023. National Level Symposiums enhance the technical knowledge of students and provide them a platform to exhibit their talents. It helps students to identify and understand the various aspects of their domain which provides opportunities for them to develop their versatility and charisma in the divergent facet of their growth. In the science expo students showcased their scientific knowledge and creativity. The exhibition served as a platform for students to present their innovative ideas and discoveries to the public. The primary purpose of such exhibitions is to provide an opportunity for students to develop their scientific skills. Students came up with several models and with paper presentation for the exhibition. 20 plus models were exhibited by the students of different streams which were innovative and exciting ones.

TECHTOPIA was a platform that awaked the techies inside the students and which also aplatform for nourishing their future. The programme was inaugurated by the chief guest MR.MADHAN K Managing Director KMS Associates. Principal Dr. K. G Parthiban welcomed everyone for the event. Thiru. K. A. Akbar Basha, Director of DAIT felicitated the gathering. Chief Guest emphasised the importance of entrepreneurship and encouraged the students to be entrepreneurs. The programme was organized by Mr. R. Gunasekaran ASP/Physics. After the inauguration ceremony chief guest along with Principal, Director and CEO visited the science expo. Later on three best models were selected and awarded the students with prizes.

WORLD STUDENTS DAY

The Department of Science and Humanities at Dhaanish Ahmed Institute of Technology, along with literacy club organized world student's day foe all the first year students on 15.10.2023. World Students' Day is celebrated on October 15 to honour Abdul Kalam's contributions. World Students' Day is celebrated on October 15 every year to honour former President Dr APJ Abdul Kalam's contributions to the field of education. The occasion coincides with the late teacher's birth anniversary. On behalf of the students day the department organized various activities and competitions. Competitions like drawing, quiz, easy writing, and elocution were conducted. Principal Dr. K. G. Parthibhan inaugurated the event and addressed the gathering. Dr. V. Senthil Kumar HoD S/H emphasised the importance of Student's day. A vote thanks was given by the programme coordinator Mrs. Hima Karthika.S.S Lecturer/English.

INDUSTRIAL VISIT

The Kodaikanal Solar Observatory

The Kodaikanal Solar Observatory is a solar observatory owned and operated by the Indian Institute of Astrophysics. As a part of curriculum, the industrial visit for students had been planned for the I year AI&DS (44 students) students on 12.03.2023 along with 4 Faculty members. The industrial visit was started by 02.00am from the campus and reached the place by 07.00am. Through the visit students got the real insight of the Kodaikanal Solar observatory. Students have learnt more and were informed the research can be done with the stipend of 10000. The guide of the observatory explained clearly to the students. The museum inspires and motivates people to work in the field of science and astronomy. The team was given the appreciation certificate.

As a part of curriculum, an industrial visit to Accent Techno Soft (ATS) one of the best software development companies in the industry. It is an ISO 9001:2015 certified company they are expertise in the following domains like Android | Java | Python |Web Designing | Digital Marketing | Artificial Intelligence | VFX. ATS deliver ones thoughts as a refined product in world-class quality. They have panel experts to handle all types of blockades. ATS assist selective students for their Internship/ in-plant Training in our concern. Also they give Job opportunities to best performing internship students in our concern. In-plant training they provide extensive knowledge about the process of the company. They do provide Industrial Visit (IV) to college students to enhance their knowledge.

Faculty Contributions

1. Dr. M. DhilshathBanu AP/ Eng, has published a book – Professional English I for the Sem-I

2. Dr. M. DhilshathBanu AP/ Eng, has published a book – Professional English II for the Sem-II

Students Participation

The following students from our first year have participated in Tech Blast at KPR Institute , Coimbatore on 31st January 2023.

1. N.M. Harish Kumar (I AI &DS)
2. R. Santhosh Kumar (I CSE)
3. Anto Stegin. E (I RA)

The following students from our first year have participated in Sri Krishna Institute of Coimbatore on 2 February 2023

1. Thameem Ansari.R (I AI &DS)
2. Renil Niyas (I RA)
3. Ijas Ahmed.I (I CSE)
4. Mohamed Irfan.M (I BME)
5. Vetri Vishwa.G (I FT)

Events by the Department of BME

TECHNICAL SEMINAR & MOU

The event was inaugurated and carried out by the chief guest Dr. Atheenapandiyan, CEO Founder of Atheenapandiyan private limited about Recent Medical Devices & Advanced Training.Memorandum of Understanding with Dr. Atheena Milagu Pandiyan, CEO, Founder of Atheena Pandian Private Limited on 03.02.2023

ORIENTATION PROGRAM

The orientation program was presented by HoD /BME for the academic year 2023-2024 on 30.08.2023 for all students. All the information and the responsibilities of the association discussed.

ASSOCIATION INAGURATION

Department of Bio Medical inaugurated Association program BIOTRONICZ for the academic year 2023-2024 on 05.09.2023 for BME students the chief guest MR.PARTHIBAN MANICKAM, Additional Director at Caliber Embedded Technologies India Pvt. Ltd., Salem, On 05.09.2023.sssAn Association Inauguration and the Science Expo – "Dhaanish Tech Vox 2021" was held in Dhaanish Ahmed Institute of Technology, Coimbatore on 31st December, 2021.

The session was started with the invocation by S. Nizar Hussain I year CSE and the Tamilthai Vazhthu by the choir. It was followed by the welcome address done by Dr. M. Dhilshath Banu. The HOD of S & Hproudly announced the committee members of the Association and delivered her address in an excellent way by explaining the motto of the Inauguration. The office bearers swearing was followed by the principal address of Dr. K. G. Parthiban. He insisted that youth should inculcate creative ideas to become a good engineer and motivated the students, in particular the committee members of the association to do the innovations.

The pleasing words were followed by the introduction of Chief guest by M. Sharmila, I year BME student and the inaugural address by resource person Dr. V. S. Saravanan, Vice president of Indo shell Cast Pvt Ltd. He underscored the growing needs of Engineering and pinpointed several instances in his experience and motivated the young minds. The chief guest was honored with the memento. In this Science Expo many projects were exhibited and it was a synergy of the youth creativity and talent quotient. It was a hustle bustle affair with gamut of events rolled to test talent and mental ability and logical thinking . Various projects were presented by the participants from various domains like, CSE,BME, AI&DS, FOOD TECH & RA andthe presentation is reviewed by the panel of experts. This technical session brought participants together from various engineering colleges in and around Coimbatore. The morning session was winded up successfully with the vote of thanks by A. Syed Isaaq from I year from CSE. All the winners were honored and awarded by

INTERNSHIPS

Internships provide job seekers with the opportunity to gain real-world experience in their chosen fields. This experience is invaluable when it comes to finding employment, as it allows employers to see that candidates have the practical skills needed to excel in their roles.

NINE DAYS INTERNSHIP ON RUDIMENTS OF BIOMEDICAL EQUIPMENT

Organized IV BME Nine Days Internship In Medsby Health Care & Engineering Solutions,Coimbatorefrom 11.07.2023 to 19.07.2023.

THREE DAYS VALUE ADDED COURSE ON RUDIMENTS OF BIOMEDICAL EQUIPMENT

Organized Three days VALUE ADDED COURSE on RUDIMENTS OF BIOMEDICAL EQUIPMENT in Department of Biomedical engineering for III & IV BME students the chief guest Dr.S.ATHEENA MILAGI PANDIAN, Founder and Managing Director, Atheena Pandian Private Limited, Coimbatore on 31.07.2023 to 02.08.2023.

WEBINAR ON IMAGE PROCESSING AND ITS APPLICATIONS

A Webinar was conducted on Image Processing and its Applications for III, IV BME students by the chief guest MRS.GAYATRI GS B.E, M.E on 26.08.2023.

ALUMNI TALK ON INSPIRATIONAL JOURNEY

Alumni Talk was organized on Inspirational Journey for III,IV BME students the chief guest cum Alumni MR. AMAR MINYAS, K L1 – Network Support Engineer Kerala Vision Broadband Ltd, Malappuram, Kerala & MR. NOORUL AMEEN, CEO ,Graphicus, the Designing Chemistry,Palakkad, on 02.09.2023. Our Alumni shared their golden days and their experiences. They gave a new road map to achieve their goal and gave many ideas to reach their destination.

BIOTRONICZ & MOU SIGNING CEREMONY

Student's Association Inaugration-BIOTRONICZ& MOU Signing Ceremony, successfully conducted for III and IV BME students the chief guest MR.PARTHIBAN MANICKAM, Additional Director at Calibre Embedded Technologies India Pvt. Ltd., Salem, On 05.09.2023

TEACHERS DAY CELEBRATION

Teacher's Day for All department students and faculties was celebrated on 05.09.2023. Head of the Institution, HoDs of various Departments, teaching and non teaching faculty enthusiastically took part in the event. Students conducted various games were conducted for the teachers. Winners were awarded. The event was wounded up with the reminiscences of the school days of the faculty members.

INTERNATIONAL LITERACY DAY & FIRST AID DAY 2023

International Literacy Day & First Aid Day was celebrated on 05.09.2023 for All students and faculties The chief guest Dr. C. SELVAMURUGAN HOD/FT gave a wonderful lecture and under scored the importance of the literacy and the first aid to the victim. Students gained the knowledge on the literacy ratio of our nation and the thinks to be implemented to improve the literary ratio.

Guest Lecture on BIOMATERIALS for III BME students the chief guest DR.N.RAJALAKSHMI Professor & HoD/BME at Dhanalakshmi Srinivasan College of Engineering Coimbatore on 25.09.2023.

WORLD HEART DAY

World Heart day is an important annual event, witnessed every year on 29th September. The day is celebrated by organizing various activities and awareness events globally to raise awareness about the heart disease and its preventive measures to manage the cardiovascular diseases.World Heart Day was organized for II, III & IV BME Students by the chief guest Dr.C.K.VIJAYALAKSHMI ASP/BME On 29.09.2023.

Technical Symposium MEDATETETRI'X

The Symposium showcases innovative research projects conducted across multiple disciplines including engine engineering technology management and computer science. BME Department organized National Level Students Technical Symposium for All BME, ECE and FT Students the chief guest Mr.SENTHIL RAJ JAGADEESH Director Bluekode Solution, Coimbatore On 07.10.2023.

WEBINAR

A Webinar is an interactive online event where a group of participants can listen to a speaker who delivers a presentation or seminar by sharing their remote screen. The organizer of a web-based webinar can also conduct interactive polls and Q&A sessions to keep the audience engaged. BME organized a webinar on Digital Signal and Image Processing & Its Application Using MAT LAB for II BME Students the chief guest MS.MAHESWARI .R B.E Technical Architect, Pantech on 30.10.2023.

ORIENTATION PROGRAM

Orientation Program on Biomedical Engineering for All BME Students was conducted on 09.11.2023.by the department. The event was started with prayer and welcome address by students. HOD, BMEdelivered her special address to the students. The chief guest Mr. Lokesh Chinraju HR- Cigma Medical Coding gave a wonderful lecture to the learners through which students enriched their knowledge. In the Q&A session the doubts of the students were clarified by the resource person.

ONE DAY INDUSTRIAL VISIT

One Day Industrial Visit was arranged for II BME students in Prashan Medical Technologies, Coimbatore on 21.11.2023. 35 students with two faculty members gathered in the campus by 09.30 am on 21.11.23. They started by 09.30 am and went to the medical Technologies. The supervisor explained the handling methods of the medical equipments. Students learned lot about the medical equipments.

HANDS ON TRAINING - IOT ON BIOMEDICAL ENGINEERING

Hands-on training is an active learning approach where individuals gain knowledge and skills through direct experienced and practice often using tools or equipment rather than just listening or reading. Organized Hands On Training - IOT on Biomedical Engineering for II BME students the chief guest Dr. VIMALATHITHAN. Director - Krishtec, Coimbatore on 21.11.2023.

PLACEMENT DRIVE BY OMEGA HEALTHCARE

The fact is that today employers expect a lot more than academic excellence in students. That is why it becomes a crucial for students to not to miss out any learning and growth opportunity provided at the educational institution to enhance their skills and aptitude matrix – not just the academic and educational skills but the professional

capability and employability skills. In today's survival of the fittest kind of the job market, it is vital that educational institutes instill the students with practical experience combined with academic excellence and skills so that they are well prepared to easily fit in the highly competitive career space. Having said that, it

becomes one of the prime responsibilities of the educational institutions to effectively prepare and guide students to compete in the corporate world and find a foothold for their career path. To full fill the thirst of job demands the placement Drive was conducted in the campus by OMEGA HEALTHCARE , Coimbatore for IV BME students on 02.09.2023. After final round four students got placed.

Placement Drive by KGISL

Placement Drive was organized by KGISL, Coimbatore for IV BME students on 01.09.2023 after final round two students got placed.

PLACEMENT DRIVE BY VRIDHI TECHNO FARMS

Placement Drive Organized by VRIDHI TECHNO FARMS PRIVATE LIMITED, Coimbatore for IV BME students on 27.10.2023.

PAPER PRESENTATION

III BME students participated in Paper Presentation in HINDUSTAN INSTITUTE OF TECHNOLOGY, Coimbatore on 13.10.2023 and won prizes.

WORKSHOP

Students participated in workshop in RATHINAM TECHNICAL CAMPUS, Coimbatore on 30th and 31st March 2023.

THE LIST OF ACHIEVERS & PLACEMENTS

Students participated in workshop in RATHINAM TECHNICAL CAMPUS, Coimbatore on 30th and 31st March 2023.

Students got placed in HEALTHWATCH at Chennai for IV BME students with 3.22 LPA

The students from IV BME got placed in KGISL at Coimbatore with 2.83 LPA

students from IV BME got placed in WAGON MEDICAL SYSTEMS at Coimbatore.

Student from IV BME got placed in INTELLIPAAT at Bengaluru with 7.25 LPA

Student from IV BME got placed in OMEGA HEALTHCARE at Coimbatore with 2.28 LPA.

Events by the Department of Food Technology

Entrepreneueship Development Training Program

The Entrepreneurship Development Cell&IIC & IQAC jointly organized one day entrepreneurship development training program on "Disrupt unlocking the Entrepreneurial mindset". An entrepreneurial mindset is a set of skills that enable people to identify and make the most of opportunities, overcome and learn from setbacks, and succeed in a variety of settings. The program was inaugurated by Mr. Vishal Nair, Entrepreneurship educator Wadhwani - foundation and the gathering was welcomed by Principal Dr. K. G. Parthiban .The Guest Introduction given by Final Year Ms. Aflah. H, the chief guest delivered the information of how to become a success entrepreneur and also explain about what is the risk they should face. The students of department third year and final Students were participated and benefitted. More than 100 Students are Participation. The Session was concluded by delivering the vote of thanks by Ms. P.K. Nishma, AP/FT.

Alumni Talk

The Department of Food Technology of Dhaanish Ahmed Institute Of Technology organized an alumni talk on crafting your carrer for students. The chief guest was our alumni Mr.Muhammad shibli , production supervisor, Triguni Food Private limited Chennai.He was the 2019-2023 batch. He shared more infromation about the Carrer , how to search the core related opportunity and what are all the extra short-time course to study to get job easily , then he shared her experience of her job role in Triguni Food Private limited Chennai. Our Students are more interactive in this session, they get ideas to established in their future. All the students of second,third and final year s got benfitted in the session.

Our Alumni our alumni Mr.Muhammad shibli is being honoured by our principal

Industrial Visit

Industrial visit is considered as one of the tactical methods of teaching. The main reason behind this, it lets student to know things practically through interaction, working methods and employment practices. Moreover, it gives exposure from academic point of view. It also provide students an insight into the real working environment, workstations, plants, assembly lines, machines, systems, and interact with highly trained and experienced personnel. Students get to learn a lot of things that will help in their development and also for the future.

As part of curriculum the Department of Food technology organizes an industrial visit for second year students on 7 December 2023. The Aavin as a cooperative milk producer's society. The main purpose of this industrial visit was to obtain extra knowledge about the dairy centre and to know about the function and activities of Aavin also students can able to understand the different types of equipments and process such as pasteurization, Homogenization and different types of packaging materials that have been used in milk industry. The different product of Aavin is Milk Khoa, Buttermilk, Curd, Ghee, Ice cream etc.

AIDS Awareness Seminar Programme

Today's era is the era of high and tough competition and as we seeing that in past three years the youth of this country has totally became dependent on social media and online mode of education, it's very essential be the part of internet but totally and blindly dependent on online technology can be harmful to our youth of this nation, online and social media is only meant to make our work smooth.

The basic objective of extension activities is to create social awareness amongst the students by providing those opportunities to work with people also to create an awareness and knowledge of social realities to have concern for the well fare of the community and engage in creative and constructive societal development.

As a part of the Extention Activity, The Department of Food technology attended a programme on titled "AIDS Awareness seminar" in Assisi Snehalaya Coimbatore. The main objective of this seminar was disseminating crucial information about HIV/AIDS, promoting prevention measures, and reducing stigma associated with the disease. the seminar aimed to empower students with knowledge that can contribute to a healthier and more informed community. It also aimed at making the students true and authenticated intellectual and also for personality development and polishing the skills and talents of our students, so for this it's the moral responsibility of teachers and educational institutes to provide the students the core of all round development under which we have to conduct some extra and co-curricular activities

Webinar on Food Safety

Webinars have become vital to online education due to their convenience and effectiveness. They allow students to learn at their own pace and connect with educators in real-time. Accessing and viewing content anywhere makes webinars ideal for busy individuals seeking knowledge for career or personal development goals. The department of food technology Organized Webinar on Food safety for IV Year students the resource person was Mr. Aravindh Executive officer in CR Animal Feeds Private Technology 07/09/2023.

Food Fest for World Food day

Food festivals have several benefits, both for the community and the food industry. They provide an opportunity to showcase local talent, attract new customers to restaurants and food vendors, and promote the local cuisine. Food festivals also bring people together and foster a sense of community. The students from the Department of Food technology organize the Food Fest for World Food Day 2023. The students of final year were prepared varieties of sweet food items like Banana halwa, Carrot halwa, Bread halwa etc. These sweet recipes were distributed to many department staff members teaching and Non-teaching staff and also Principal, CEO as well as Director for tastes the recipes that were prepared by the students. Around 32 students from final year participated in the event. Conducting this kind of events will encourage greater education of food and drink, its provenance and qualities. To provide new food/drink related settings for people to meet and socialize.

Internship

An internship is a professional learning experience that offers meaningful, practical work related to a student's field of study or career interest. An internship gives a student the opportunity for career exploration and development, and to learn new skills. An internship provides one with firsthand experience, professional opportunities and personal growth. It will also make students more competitive when applying for jobs.

It also helps in relevant skills to showcase on resume. As part of curriculum the Department of Food technology organized an internship for third year students from 09/01.2024 to 12.01.204. The main purpose of this internship was to obtain extra knowledge about FSSAI Standard, instrumental analysis, Biochemical and microbiology analysis of food testing and to analyze the samples received from food processing industry. To learn the basic principles of the analytical procedures commonly used to analyze food, water and soil. To acquire the skill analyzing and interpreting various quality parameters in food, water and soil samples'

World Deaf day -Student Charity Campaign

As a part of the Extention Activity, The Department of Food technology organized a World Deaf day -Student Charity Campaign on 26.09.23 (Tuesday) in Assisi Snehalaya Coimbatore, which the Staff and students of Food technology

contributed as Fund to the differently abled and parentless children , Adult womens. Our students done cultural activities like singing, dance , group singing A children and Adult womens are benefitted from the event and the student had an opportunity to realize their societal responsibilities.

Events by the Department of Robotics and Automation

Invitation for world forgiveness day

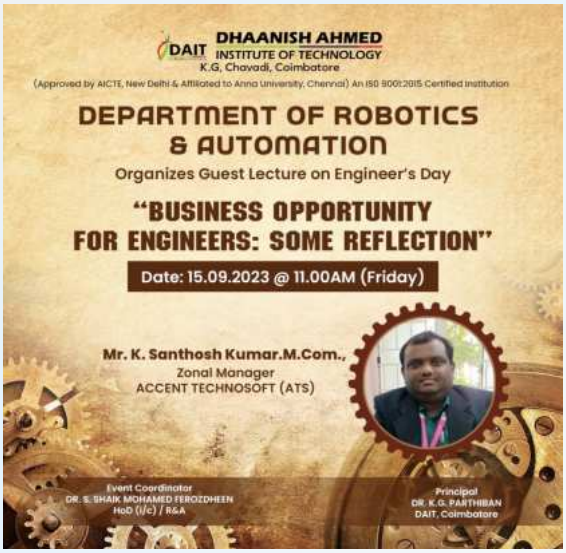
HOD & the RA faculty members presence in the event

World forgiveness Day

The department of Robotics & Automation organized a guest lecture on the note of "World Forgiveness Day-2023" dated on 07.08.2023. The resource person was Mr. K. Shiva, Manager of Shivashakthi India Machine Pvt Ltd. Global Forgiveness Day is observed on July 7 to encourage the practice of forgiving others and ourselves. It aims to spread awareness about the healing power of forgiveness and its vital role in well-being and for a more peaceful life. The event was started with the prayer by the student of II RA s. Atheeb. It was followed by the welcome address by the HOD/RA. III RA student introduced the chief guest to the assemblage. The resource person delivered a mind blowing speech to the students. The session was ended with the vote of thanks.

Engineer's Day

On behalf of the observation of "Engineer's Day" on 15th September 2023, department arranged a guest lecture on the topic"Business opportunities for Engineers: Some reflections". The lecture was delivered by Mr. Santhosh Kumar, Zonal Manager of Accent Technosoft. The event was started with the prayer by the student of II RA s. Atheeb. It was followed by the welcome address by the HOD/RA. III RA student introduced the chief guest to the assemblage. The resource person delivered a mind blowing speech to the students. Students gained the knowledge to the next heights. The session was ended with the vote of thanks.



Chief guest receives memento from principal

Technical Symposium

The Department of Robotics & Automation Organized a "National Level Symposium- ROBONAUT 2K23" on 18.10.2023 comprising of various technical and non technical events. College Symposiums enhance the technical knowledge enhance the technical knowledge of student and provide them a platform and provide them a platform to exhibit their talents. It helps students to identify and understand the various aspects of their domain which provides opportunities for them to develop their versatility and charisma in the divergent facet of their growth.

On 30th October 2023, in association with Effica Automation, Coimbatore the Department of Robotics & Automation conducted an Industry Interaction Programme on " Opportunities in Robotics". Where the resource person Ms. S. Mahalakshmi has gave an insight about the automation in various industries especially in the food packaging department. The session was started with the prayer by III RA students. It is followed by the welcome address by the HOD Mr. Chandra Prakash. The resource person delivered the excellent talk on the given topic.

Value Added Course

Department conducted a Value added course for students by "CADD Technologies School of Design" Private Limited on n the topic "Embedded Systems with IoT" for 5 days from 06-01-2024 to 10-01-2024 for all the students of III & IV year. Value added courses are designed to enhance the standard of the students beyond these levels specified in academic curriculum. In order to enhance employability of the students value added courses are included in the curriculum.

STAFF CONTRIBUTION (FDP/ SYMPOSIUM/ SEMINAR)

1. Mr. R. Kumar attended Naan Muthalvan FDP on 24-7-23 to 28-7-23 at PSG Tech

2. Ms. R. Sangeetha attended Naan Mudhalvan "Iot Concepts and application" at Enthu technologies, from 29/1/24 to 3/2/24

3. Mrs. K Bhavya attended online FDP on "Machine Learning & its application" from 24-7-2023 to 29-7-2023 organized by Kalaingar Institute of Technology.

STUDENTS ACTIVITIES

1. Students of II RA had gone for an Industrial Visit to Axis Global Automation on 05.12.2023.

STUDENTS & FACULTY ACHIEVEMENTS 2023-2024

Students and 1 faculty cleared the NPTEL examination of the July- December 2023

Staff Publication:

Mr. R. Chandraprakash, Assistant Professor & Mr. P. Rajkumar, Assistant Professor has published a book named as "Hybrid machine Process" (ISBN: 93-92023-64-4)

Internship

1. Anto Stegin E from II RA completed a Mentorship program on Hybrid Electric Vehicle with Technook from 1st August to 30th September 2023.

2. 8 Students from IV RA attended 10 days Internship in Auro Mechz on the topic of " Welding & Lathe" from 12-01.2024 to 20.01.2024

3. Sujijhaa R G from IV RA attended Internship in Ether Infotech on the Domain "Python" from 26.12.2023 to 12.01.2024

4. Anto Stegin E from II RA has provisionally completed 2 days hands on workshop on "Recent Technology in Refrigeration and Air conditioning System" from 05.10.2023 to 06.10.2023 at Rathinam Technical Campus.

UNNAT BHARAT ABHIYAN (UBA)

The government of India launched the Unnath Bharat Abhiyan (UBA) program with the goal of involving the nation's reputable universities in the process of developing indigenously self-sufficient and sustainable village clusters. The goals of UBA include educating higher education faculty and students about rural realities, identifying and choosing cutting-edge technologies already in use, enabling technology customization, and devising innovative device implementation strategies that meet local needs.DAIT is a participant institution under UBA and has adopted 5 neighbouring villages viz Govindapuram, Vagunthampalayam, Devnampalayam, Muthur, Krishnarayapuram. Since 2023, the students of DAIT actively engage themselves with Unnath Bharat Abhiyan activities. To start with, the members of UBA conducted a door-to-door survey of about 1500 households in these five villages. The survey included collecting data on demographic and socio economic status of the village population. Additionally several programs were conducted by the students at these villages which included Village development plans, Extension, Computer literacy, Swach Bharat Abhiyan activities, etc. The details of the programs conducted in the year 2022-2023 are reported in this document

NATIONAL SERVICE SCHEME (NSS)

The National Service Scheme (NSS) is an Indian government-sponsored public service program conducted by the Department of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year, 1969. Aimed at developing a student's personality through community service, NSS is a voluntary association of young people in Colleges, Universities and at the +2 level in working for a better and improved campus-community linkage.

NSS OBJECTIVES AND AIMS

Understand the community in which they work

Understand themselves in relation to their community

Identify the needs and problems of the community and involve them in the problem-solving process

Develop among themselves a sense of social and civic responsibility

Utilize their knowledge in finding a practical solution to individual and community problems

Develop the competence required for group living and sharing of responsibilities

Gain skills in mobilizing community participation

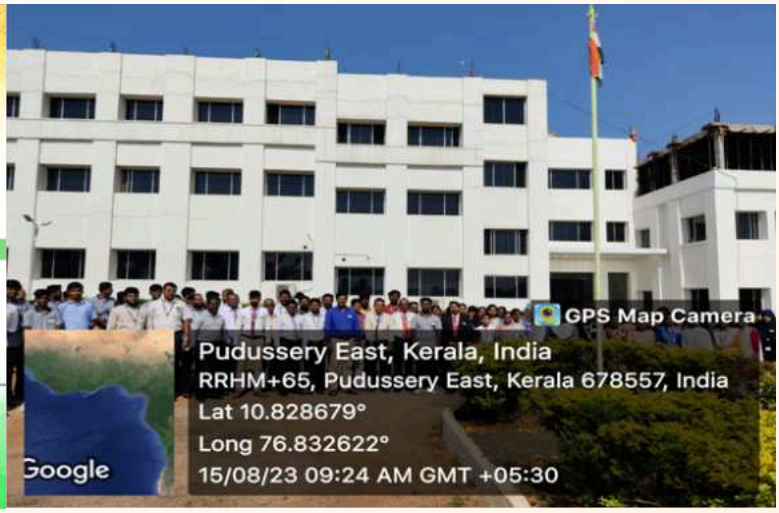
Acquire leadership qualities and a democratic attitude

Develop the capacity to meet emergencies and natural disasters and

Practice national integration and social harmony.

In short, NSS aims to inculcate social service in the student for the welfare of the humanity, sharing their services to society without bias and enhancing their standard of living while leading a life of dignity. The National Service Scheme (NSS) has been in operation in since October 2018. Ministry of Youth Affairs and Sports Government of India has vide their letter no. F.No 2-111/SFU/2022-23/NSS/3578-3580 dated 05.01.2023 accorded sanction to Self Financing Unit provisionally approved for 3 years up to December 2025 (1 unit consist of 50-100 volunteers)

We will continue moving toward serving society ever.



Grooming Session on Vetri Ungal Kaiyil

As a part of NSS Activity Orientation Program on “Vetri Ungal Kaiyil” is conducted on 21.09.2023.Resource person Tmt.B Dhanalakahmi B.Sc., Motivational Speaker, Safalta Gillete Campaign, Madurai. The session was very useful for the students, the resource people have explained a grooming techniques and self confidence building.

YOGA FOR HUMAN EXCELLENCE IN ASSOCIATION WITH

KOVAI MANAVAKALAI MANDRAM TRUST
