Scheduled Castes (SC) and Scheduled Tribes (ST) have been identified as the two most backward groups of Indian Society. They include all the castes, races or tribes, which have been socially, economically and educationally backward. The cell has been established to support and to bring students from such communities in the main stream. The SC/ST cell of the college was established with the purpose to empower the SC/ST students in the college. The college takes special interest in facilitating academic performance and financial support to students from government agencies and other sources. They are also encouraged to enrol for career orientation programs, which would equip them with the necessary skills to choose a career option. The cell is also focused on monitoring the strict implementation of reservation policy as per UGC guidelines.
